The week of festivities came to an exciting climax! Thursday night the bonfire was a blazing beauty even though it had been burned once before.

The Roughneck team played a good game against the Amherst Bulldogs, but were defeated 20-6.

The Big Red Roughneck Band gave a splendid performance at half time. Red, white, and blue burst into color as the band displayed circles, fireworks and flashlights.

Silhouettes of cheerleaders Cara Carpenter and Gina Houx as they watch the bonfire.

The Royal Court

The 1979 Roughneck Royalty rode around the track in a white convertible to be crowned in front of the home stands. The queen candidates carried out school tradition by wearing velvet formals in school colors. The mums were worn in contrast to dress colors, and the king candidates wore their football suits adorned with lacy garters on their right arms.

Terri Carter, sophomore attendant, wore red and was escorted by Richard Lee, Senior. Shelly Fariss, junior attendant, wore white and was escorted by Larry Carter, senior.

The grand finale ended with Tammy Helms, senior, who wore blue, being crowned 1979 Homecoming Queen, and Larry Henderson, senior, Homecoming King.

Superintendent's Message

As we complete our first full year of occupying the new school facility, we look back to a year filled with much activity. Sundown hosted the spring U.I.L. literary district meet, the district one-act play contest, and the regional band contest, to name a few.

Several thousands of people have toured the school and have been very complimentary. We, the staff and students, share in their praise of such fine facilities.

Now as we begin the decade of the "80's", may we aspire to improve our teaching and learning; thus bettering ourselves to serve those with whom we live.

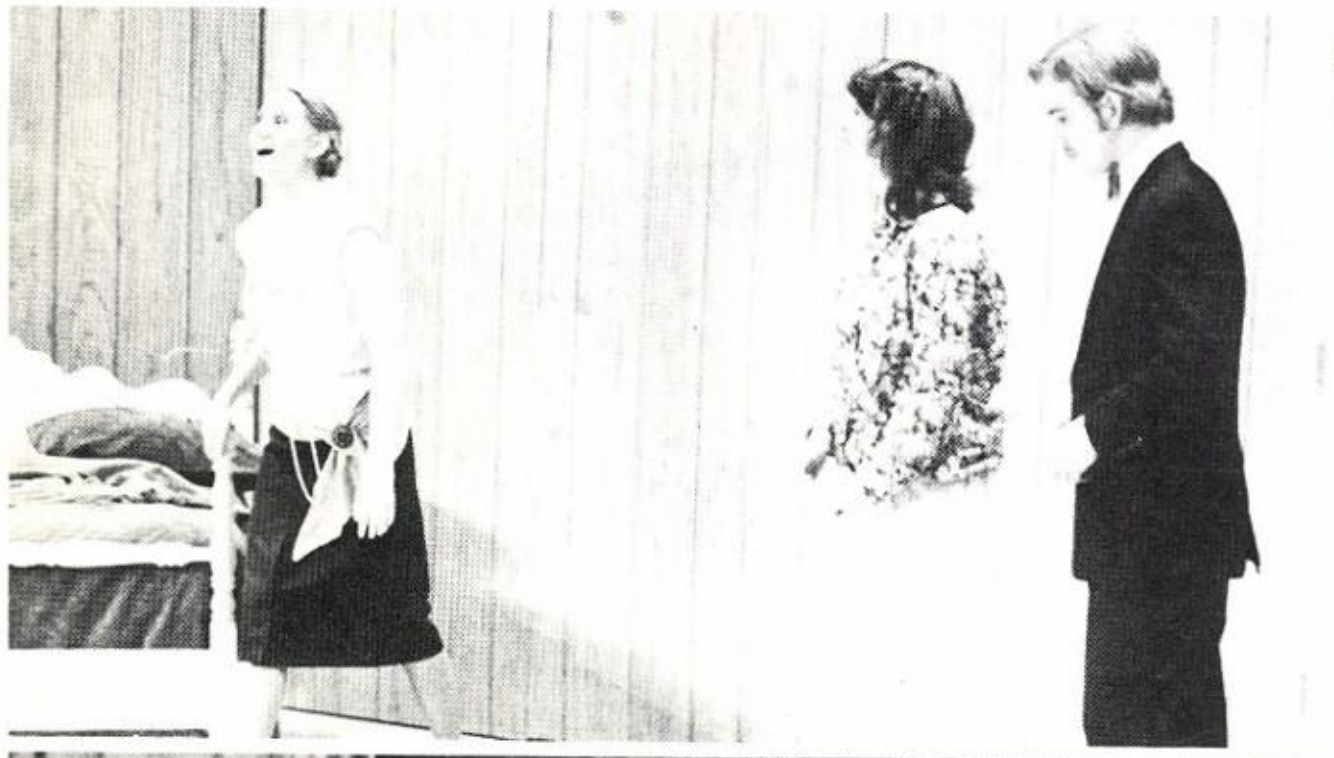
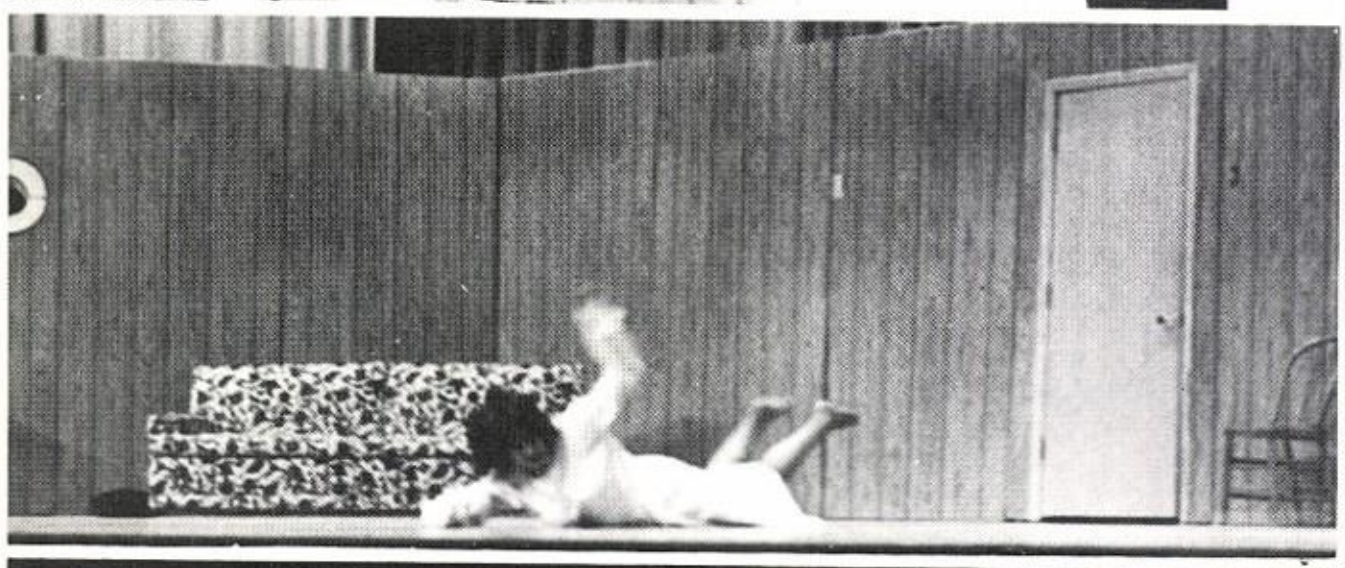
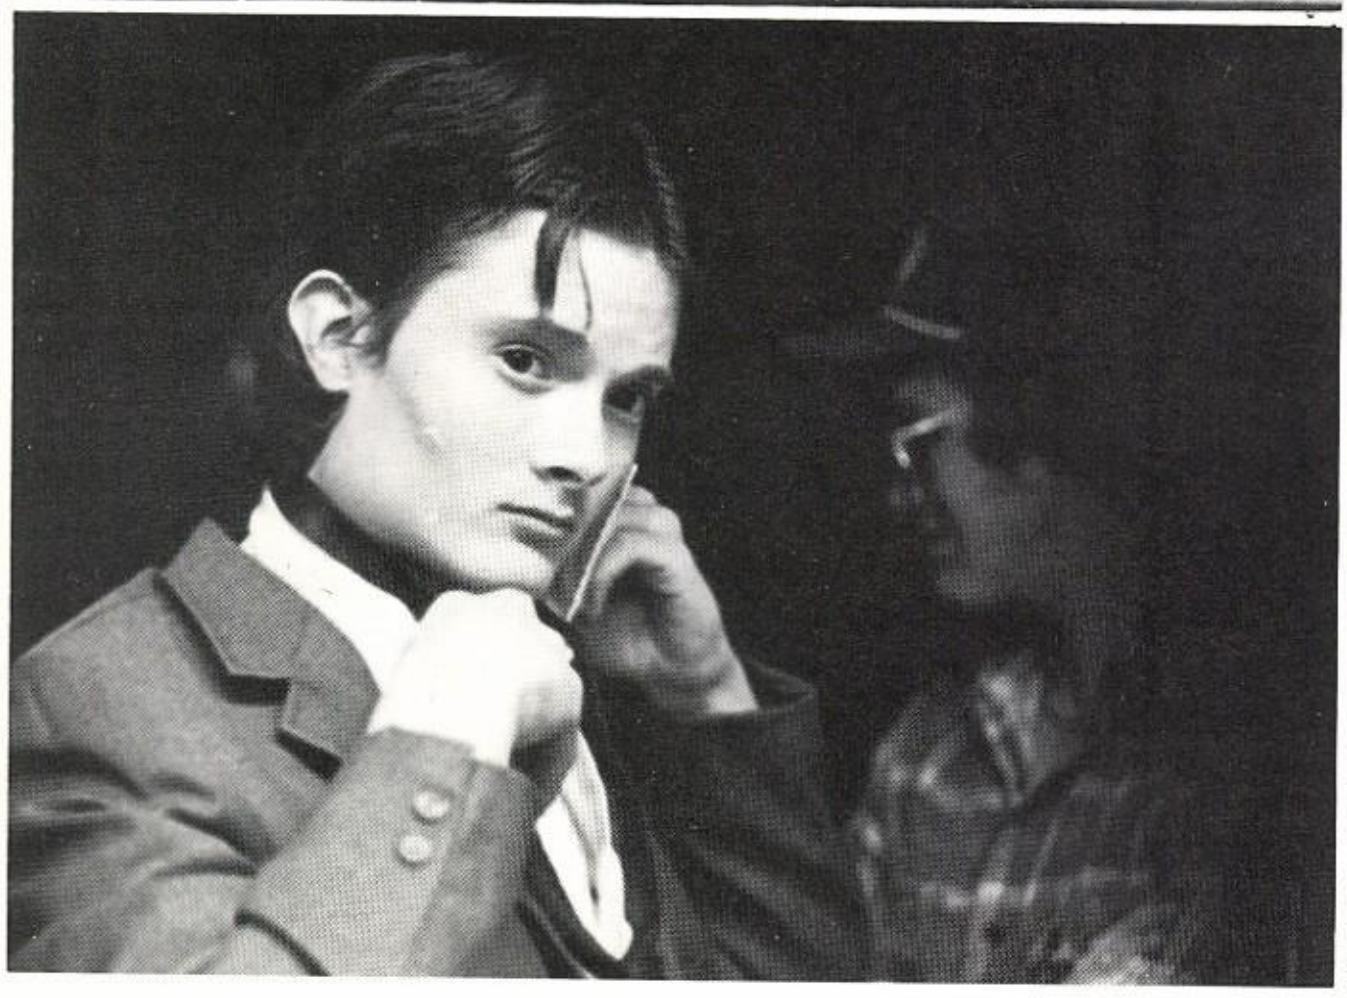
OUR HEARTS WERE YOUNG AND GAY







GRADUATION

As a senior's last year of high school ends, he is flooded with home-work, tests, and term papers. Every senior has looked forward to this moment.

This past year was spent making money so the seniors could go to Missouri for their Senior trip. They sold everything from light bulbs to dried flowers.

The graduation is a special night for all seniors. It may mark an end to one phase of their life but in most ways it is a new beginning. These people are the adults of tomorrow. They are the Seniors of 1980.
